

Umbrella Arts Festival 2023

in celebration of ASPA Heritage Month
Asian, South Asian, Pacific Islander American

The Umbrella Arts Festival is a celebration of Asian, South Asian, Pacific Islander (ASPA) history, culture and art. The event is designed to increase visibility and representation of the ASPA community and to engage the community-at-large in collective experiences that work to dispel harmful myths and narratives about the ASPA community. The festival raises awareness about the ASPA community and engages people in creative experiences that counter the rise in anti-Asian hate and violence that continues throughout the country. The umbrella symbolizes the ASPA diaspora which includes a diversity of ethnicities from over 40 countries around the world, and is inclusive of the many intersections of identities that exist in our communities. The festival is free and open to all ages!
